

## **Inclusivity and Diversity Statement**

We respectfully acknowledge that the land on which we gather and work is on the unceded traditional territory of the K'ómoks First Nation, the traditional keepers of this land.

Whether to play the social sport of curling or to utilize our lounge and banquet hall facilities, The Comox Valley Curling Centre is a safe space for all to gather. It is the Curling Centre's mission to promote and maintain an inclusive environment and experience for everyone. It is our commitment to foster an environment to include all persons through collaborative learning and cooperation.

As a curling community, we stand for inclusion and diversity, where any form of discrimination is not to be tolerated, fostering a space safe for all to enjoy the sport of curling. This statement has been made in alignment with the Comox Valley Curling Centre's Bullying, Harassment and Discrimination Policies and Procedures, which has and will continue to apply to all Members, CVCC employees, vendor, contractor, or visitors.
